January 2012

Dear Cornell Leader:

There are hundreds of ways you can stay connected to Cornell. This list is by no means complete, but it gives you a good sense of opportunities you can explore. Commitments range from simply reading articles so you can be a well-informed ambassador to planning your class reunion to serving as a career mentor.

Throughout the conference, you'll hear a lot of buzz about our new program area, Volunteer Programs. In the coming months, Senior Director Laura Denbow and her team will be wrapping their arms around how we recruit, retain, and reward our 13,000 volunteers and how we make the most of the talents you all share so generously with Cornell. Stay tuned for more soon. In the meantime, we've listed contacts and websites for each program so you can reach out and learn more about the ways you can support your alma mater.

*Chris Marshall
Associate Vice President
Office of Alumni Affairs*
