

Cornell University

Welcome to the Cornell Club of Oregon & SW Washington!

You are joining an active group of Cornell alumni who enjoy extending their common Cornell heritage into many fun social events, admissions activities, networking, and fundraising for one of the best scholarship programs in the country (did you know that we fund the unmet financial need of every Cornell senior from our region?). Your membership means you are now part of this community and while you may have traded the gorges of Ithaca for the firs of Oregon and Washington, you are never far away from rekindling the memories.

Thank you for joining the Cornell Club to keep the Cornell tradition alive! We look forward to seeing you at future events.
