

Academic Year 2006 - 2007

To The Cornell Club of Saint Louis:

I would like to thank you from the bottom of my heart for your generosity in giving me a scholarship this year. It has been a difficult year for my parents income-wise and I just wanted to say thank you for helping my parents and me out. We couldn't have done it without you. It is so great to know that I have people in Saint Louis who are willing to support me and help me achieve all that I possibly can. Again, thank you. You will never know how much this means to me. I have attached a resume so that you can see what you have helped me do.

Sincerely,  
Ashleigh Davis
